Issuing Authority: None indicated

No Pages: 41

Language: Chinese

Area of Coverage: China

Subjects Covered: Three Antis Movement; regimentation and indoctrination of masses to oppose the bourgeoisie.

Scholarship Evaluation: Economic propaganda

Review: Editors state that the two essays in this pamphlet are propaganda material for correspondents and agitators. The first essay, written in question-and-answer style, seeks to answer the many questions raised by the masses about the Three Antis Movement. These questions are indicative of the open or hidden reaction of the public. For instance, the essay tries to explain why corruption and bureaucratism exist in party and government agencies, and why the masses must oppose the bourgeoisie who contributed to and supported the Resist US, Aid Korea Movement. The second essay describes the numerous crimes of the bourgeoisie and is clearly propaganda for agitators to recite.
